

MECHANICSBURG AREA SCHOOL DISTRICT  
DISTRICT GOALS  
2007-2008

I. **Student Achievement**

Ninety percent or more of all students will be achieving at grade level by the end of the 2008-2009 school year.

A. **Learning Focused Schools**

To continue implementation of LFS framework with particular attention given to students needing extra help.

B. **Assessment**

To utilize data resources and daily assessment to adapt instructional practice to improve student achievement.

C. **Full Day Kindergarten**

To develop and implement a plan for full day kindergarten in 2008-2009.

D. **Diversity of Learners**

To build relationships with each child by focusing on his/her wellbeing, focusing on citizenship within the learning community and focusing on academic readiness.

II. **Wellness**

All schools in Mechanicsburg Area School District will continue to implement and refine the wellness initiative among all stakeholders.

III. **District Plans**

A. **Strategic Plan**

During the 07-08 school year, all stakeholders in the community will be represented in the development of the Strategic Plan.

B. **Communication**

To improve reciprocal communication with all stakeholder groups in the District.
